

There's No Place Like HOME

The Unitarian Church of Harrisburg Auction

Dear Friend of UCH:

“There is no place like home”. You chose The Unitarian Church of Harrisburg to be your spiritual home so that together we can create a beloved community. Our own sense of belonging strengthens us so we can work towards a world that is more equitable, just, and kind. We want all people to experience this sense of worthiness and acceptance. Please support UCH’s good work to help the congregation and the Harrisburg area by attending and contributing to this year’s auction. From flying monkeys to munchkins, allow your imagination to soar as you consider an item, service or hosted event that you can donate to this year’s auction.

Popular items in the past included themed baskets (yoga, Italian dinner, gardening), hosted events (guided hikes, dinners, afternoon tea) or services (photography class, instructor-led meditation, knitting). Stretch your imagination for something you can share!
