Dear Friend,

The Unitarian Church of Harrisburg (UCH) is committed to building and sustaining strong families and productive communities with a focus on under-served families in the hardest hit areas of Harrisburg.

Our efforts are manifested in dozens of civic and humanitarian activities. Here are two examples of the many programs our church members have created and continue to implement. We assist the recently incarcerated to find housing and build skills for a successful transition to community life. Also, annually, UCH awards a scholarship and assigns a mentor to a graduating Harrisburg School District senior. These supports continue throughout the student's college years.

To aid in this mission the Unitarian Church of Harrisburg is hosting an auction, "**Come Together**". As an important member of the community, we hope that you share our mission. That is why we are writing to see if you will donate an item or service for our upcoming auction. The event will raise critically needed funds to continue our work in under-served areas of Harrisburg and beyond.

As a gesture of our gratitude for your donation UCH will offer the following:

- Your company or individual name listed in the auction booklet (You may include a business card-sized ad for donations valued at over \$100. Please email a copy of your business card as a .pdf or .jpeg file to UCHauction@gmail.com before October 1, 2022.)
- Thoughtful display of your item in the auction
- A tax-deductible receipt for the donated item upon request

We hope you will take a moment to set aside a donation. We welcome your financial contribution, if you prefer.

Please submit your donation to the address listed below by October 1, 2022 so we can properly acknowledge your generosity in the Unitarian Church of Harrisburg Auction Booklet.

Thank You for supporting our community!

Patti Hazell
